

Dear Friend,

November 2000

If you're reading this then you've lived thru the "disappearances" and you want to know what happened!?!?

If a few of your Christian friends have disappeared over a period of time then it may simply be the 'persecution of the church' foretold in the Bible. (Much like the deaths and imprisonments in China and the Sudan in the 1990's) However, if millions of people all over the globe disappeared at the same moment then, indeed, you have lived thru a frightening event and want to know what it was. Let me explain.

Over the next days and weeks you'll hear many opinions about where all of us went. But there is only one truth. Some will say that aliens abducted us. Some will say it was a mysterious cosmic occurrence. Scientific, military, and cosmic theories will be put forward - but the simple truth is that it was a Spiritual Event foretold in the Bible. Much of the world will reject this answer but we hope that once you read all the evidence we've left for you, you'll open your heart to the truth.

The event itself was called 'The Rapture'. That's a Latin word for "caught up." It was spoken of in the Bible in 1 Thessalonians 4:16-17 and 1 Corinthians 15:51-52. In the book of Luke 17:23-35 you'll find that Jesus described what the 'disappearances' would be like and explained how it would come upon us suddenly like other events in history. Read the passage - "Two women shall be grinding - one shall be taken and the other left." That's exactly how the 'disappearances' were - isn't it!?

So the truth is that Jesus Christ came back to collect His people before God's Judgement comes upon the earth. It was a one-time event. If you do some research you'll find that every person who disappeared was someone who had accepted Jesus Christ as their Lord and Savior. (All children below the age of choice/reason are expected to be 'caught-up' too.)

The important thing for you to keep in mind now is there is only a short time left for the people of this earth to choose to accept God's love thru His Son, JESUS. There is no reason to put it off any longer - because even tho you've been left behind and given another chance to find Christ - your chance might end tomorrow - or today. The time in history you're living in is called 'The Tribulation' in the Bible. It's short and intensely painful for the world.
